Best Loved Classics Series: Treasure Island / The Arabian Nights (One Thousand and One Nights) / Gulliver's Travels Robert Louis Stevenson, Jonathan Swift

Three novels from the Best Loved Classics Series. **TREASURE ISLAND:** Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of "buccaneers and buried gold".

Traditionally considered a coming-of-age story, Treasure Island is an adventure tale known for its atmosphere, characters and action, and also as a wry commentary on the ambiguity of morality - as seen in Long John Silver - unusual for children's literature now and then. The influence of Treasure Island on popular perceptions of pirates is enormous, including treasure maps marked with an "X", schooners, the Black Spot, tropical islands, and one-legged seamen carrying parrots on their shoulders.

THE ARABIAN NIGHTS: collection of West and South Asian stories and folk tales compiled in Arabic during the Islamic Golden Age. It is often known in English as the Arabian Nights. The work was collected over many centuries by various authors, translators, and scholars across West, Central, South Asia and North Africa.

The tales themselves trace their roots back to ancient and medieval Arabic, Persian, Indian, Egyptian and Mesopotamian folklore and literature.

GULLIVER'S TRAVELS: Both a satire on human nature and a parody of the "travellers' tales" literary sub-genre. Swift's attacks on politics, culture, and human nature itself have earned him the reputation of a crazed misanthrope. Swift, through his hero, consistently rails against political whims, human follies, and the bestial behaviors of the human race.
