Pre-Fix: A Ciel Halligan Short Story Linda Grimes

Meet Ciel Halligan, aura adaptor extraordinaire, in this charming introduction to Linda Grimes' "sparkling series" (*Publishers Weekly*).

A genetic quirk means Ciel can take on the appearance of anyone she meets by projecting their aura. This startling ability presents endless possibilities, and she's one of a rare few who has it...so you'd think it'd be easier finding a day job that lets her put it to use. Actress? Model? Ethically dubious and possibly criminal activities, like her best friend Billy? Ciel's long-time crush and fellow aura adaptor, Mark, has found his calling as a CIA agent-a life of intrigue, danger, and the perfect utilization of their rather unique skill set. It seems like the obvious choice to Ciel: She could do good *and* spend time with her crush. What could be better?

"Seamlessly blending humor and action...This deliciously sexy and fun-filled romp simply is a must-read."-*RT Book Reviews*, 4 ½ stars, Top Pick! on *In a Fix*
