The Survivors of the Chancellor: Extended Annotated & Illustrated Edition Jules Verne

This is the fully illustrated and extended annotated edition including a rare and extensive biographical essay on the author, his life and works plus a wealth of illustrations.

The Survivors of the Chancellor is one of those terrible tales of shipwrecks and disasters at sea that have a fearful fascination for all who read them. In the present story, Jules Verne has given the spirit of the many shipwrecks we have all of us read. The tale is well told, but it is very painful to follow. In the end rescue comes, a few are saved ; the descriptions of the sufferings are very explicit.
