LYDIA KNOWS SHE blew it big-time with Billy, and winning him back is her numero uno priority before her endless LA summer finally does come to an end.

Esme can't believe that a *chica* from Echo Park is going to spend senior year at über-wealthy Bel Air High, let alone that she'll have her two best friends with her. Except there's one tiny problem: the girl Esme was eager to help is slowly stealing Esme's life. . . . Kiley doesn't know what she'd do without Tom to lean on. Not only is she trying to work through her panic attacks, but she's also been thrust into the national spotlight at the trial of Platinum. So with all that's going on, why can't Kiley get the guy she met at the all-night party out of her head?
