I'll Take New York

Miranda Dickinson

I'll Take New York Miranda Dickinson

The author of the Sunday Times bestselling *Take a Look at Me Now*, returns to New York with her most heart-warming, romantic story yet.

Have you ever given up on love?

When her boyfriend lets her down for the last time, Brooklyn bookshop owner Bea James makes a decision – no more. No more men, no more heartbreak, and no more pain.

Psychiatrist Jake Steinmann is making a new start too, leaving his broken marriage behind in San Francisco. From now on there'll just be one love in his life: New York.

At a party where they seem to be the only two singletons, Bea and Jake meet, and decide there's just one thing for it. They will make a pact: no more relationships.

But the city has other plans . . .

From reader reviews:

Tom Scott:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want send more knowledge just go with schooling books but if you want really feel happy read one with theme for entertaining for instance comic or novel. The actual I'll Take New York is kind of book which is giving the reader unstable experience.

Kim Marshall:

Don't be worry when you are afraid that this book can filled the space in your house, you could have it in e-book means, more simple and reachable. This particular I'll Take New York can give you a lot of friends because by you checking out this one book you have factor that they don't and make anyone more like an interesting person. This particular book can be one of a step for you to get success. This guide offer you information that maybe your friend doesn't realize, by knowing more than additional make you to be great persons. So , why hesitate? Let's have I'll Take New York.

Denise Swann:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book had been rare? Why so many issue for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but novel and I'll Take New York or others sources were given expertise for you. After you know how the truly amazing a book, you feel would like to read more and more. Science book was created for teacher or perhaps students especially. Those guides are helping them to bring their knowledge. In other case, beside science reserve, any other book likes I'll Take New York to make your spare time much more colorful. Many types of book like here.

Curtis Swasey:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this I'll Take New York can make you truly feel more interested to read.
