Move over *Diary of a Wimpy Kid*—there's a new journal in town and it belongs to Ratchet.

"A book that is full of surprises...Triumphant enough to make readers cheer; touching enough to make them cry." —*Kirkus*, STARRED Review

If only getting a new life were as easy as getting a new notebook.

But it's not.

It's the first day of school for all the kids in the neighborhood. But not for me. I'm homeschooled. That means nothing new. No new book bag, no new clothes, and no new friends.

The best I've got is this notebook. I'm supposed to use it for my writing assignments, but my dad never checks. Here's what I'm really going to use it for:

Ratchet's Top Secret Plan

Turn my old, recycled, freakish, friendless life into something shiny and new.

This Florida State Book Award gold medal winner is a heartfelt story about an unconventional girl's quest to make a friend, save a park, and find her own definition of normal.
