Ladies: Are you sick of sitting on the bench while the men in your life talk Fantasy Football? Have you always wanted to know how to kick down a door? Build a fire? For any gal who's ready to go head-to-head with the guys on their own turf this book is brimming with sassy, do-it-yourself style. It's chock-full of instructions on the manliest of manly arts, from the highbrow (know the difference between single malt and blended whiskey), to the lowbrow (learn to spit farther than a trucker). Authors Jennifer Axen and Leigh Phillips have written this comprehensive, how-to manual for all the smart, capable women who are sick and tired of being laughed at for not knowing which way is North, intimidated by the finer points of grilling, or just plain excluded for not knowing the (let's face it, very convoluted) infield fly rule. So, for the women out there who know they can do it better just as soon as they learn how help is finally at hand!
