**Stillpoint** Colin Mallard

Finalist in US Next Generation Indie Book Awards.

A cast of unforgettable characters draws us into a world, vivid and haunting. A world where war comes suddenly; dynamite, fire, bullets: friends and family dying in the night.

Stillpoint is a daring, controversial examination of the Israeli-Palestinian conflict that shows the struggles of ordinary men and women on both sides. Spanning the period from 1947 to the modern day and showing how lives are affected from Boston to Beirut, from Haifa to Rockport. Do we learn from history? It would appear that we don't. What we learn we can easily forget, but understanding is of a different order, it cannot be forgotten.
