When the Wind Blew Alison Jackson

We all know the story of the old woman who lived in a shoe with her many children. But not everyone knows about the day when the wind blew very hard, and an unexpected guest arrived (cradle and all), setting off a chain of events that involves the three little kittens, Jack and Jill, Little Bo Peep, Little Boy Blue, and many other beloved characters from nursery rhymes. Can the old woman restore order to their world and still manage to get her children to bed on time? But, of course!

This is a follow-up to Alison Jackson's strong-selling *If the Shoe Fits*, told with the same whimsy and charm.
