Baby Brother's Blues Pearl Cleage

When Regina Burns married Blue Hamilton, she knew he was no ordinary man. A charismatic R&B singer who gave up his career to assume responsibility for the safety of Atlanta's West End community, Blue had created an African American urban oasis where crime and violence were virtually nonexistent. In the beginning, Regina enjoyed a circle of engaging friends and her own work as a freelance communications consultant. Most of all, she relished the company of her husband, who never ceased to be a source of passion and delight.

Then everything changed. More and more frightened women were showing up in West End, seeking Blue's protection from lovers who had suddenly become violent. When the worst offenders begin to disappear without a trace, the signs—all of them grim—seem to point toward Blue and his longtime associate, Joseph "General" Richardson. Now that Regina is pregnant, her fear for Blue's safety has become an obsession that threatens the very heart of their relationship.

At the same time, Regina's friend Aretha Hargrove is desperately trying to redefine her own marriage. Aretha's husband, Kwame, is lobbying for them to leave West End and move to midtown. Aretha resists at first, but finally agrees in an effort to rekindle the flame that first brought them together.

Regina and Aretha have no way of knowing that what they regard as their private struggles will soon become very public. When Baby Brother, a charming con man, insinuates himself into the community, it becomes clear that there is more to his handsome façade than meets the eye. He carries the seeds of change that will affect both women in profound and startling ways.

Returning to the vividly rendered Atlanta district of her last two novels, New York Times bestselling author Pearl Cleage brilliantly weaves the threads of her characters' intersecting lives into a story of family, friendship and, of course, love. *Baby Brother's Blues* is full of wit and warmth, illumination the core of every woman's hopes and dreams.

From the Hardcover edition.

From reader reviews:

Sheryl Vaughan:

Do you among people who can't read enjoyable if the sentence chained inside straightway, hold on guys that aren't like that. This Baby Brother's Blues book is readable by you who hate the perfect word style. You will find the data here are arrange for enjoyable reading through experience without leaving possibly decrease the knowledge that want to provide to you. The writer of Baby Brother's Blues content conveys prospect easily to understand by a lot of people. The printed and e-book are not different in the content but it just different such as it. So , do you nonetheless thinking Baby Brother's Blues is not loveable to be your top collection reading book?

Marisa Reber:

This Baby Brother's Blues is great e-book for you because the content which is full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great manage word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but tricky core information with lovely delivering sentences. Having Baby Brother's Blues in your hand like getting the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world throughout ten or fifteen second right but this guide already do that. So , it is good reading book. Hey Mr. and Mrs. busy do you still doubt that?

Florence Nguyen:

Is it an individual who having spare time subsequently spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Baby Brother's Blues can be the respond to, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

James Collins:

A number of people said that they feel bored when they reading a publication. They are directly felt this when they get a half parts of the book. You can choose typically the book Baby Brother's Blues to make your reading is interesting. Your own personal skill of reading skill is developing when you including reading. Try to choose basic book to make you enjoy to see it and mingle the opinion about book and reading especially. It is to be initial opinion for you to like to start a book and learn it. Beside that the publication Baby Brother's Blues can to be your new friend when you're really feel alone and confuse with the information must you're doing of this time.
