## **Eternal (Clare Point Vampire Novel) V.K. Forrest**

Centuries ago, the shipwrecked vampire clan known as the Kahills came ashore on the sleepy Delaware peninsula of Clare Point. In *Eternal*, V.K. Forrest introduces readers to the ravishing, undead Fia Kahill, an FBI agent, who's in danger from a vampire slayer--and the one man she must resist but can't. . .

## **Eternal**

FBI agent Fia Kahill has just learned her cousin Bobby McCathal is dead. His body is found burned, and his head and hands are missing--the unmistakable calling card of a vampire slayer. When more vampires' corpses surface, Fia knows it's only a matter of time before the killer catches up to her. But that's not her only worry. She's been assigned to work with FBI agent Glen Duncan who is the spitting image of Ian, the man she once loved--and the man who betrayed her. . .

Fia wants Glen like no other man she's ever desired--and before she knows what's happening, she is deeply immersed in a forbidden love affair. But this time the consequences could be far graver than Fia ever could have imagined. For a killer has her in his sights as his next deadly victim. . .
