## **Nombres et cailloux qui agissent (French Edition)** F. et W. Servranx et associés

Comment imprégner des galets de forces très puissantes, comment bénéficier de son nombre personnel et secret ? Certes, nous sommes dans un domaine subtil, où les forces mises en jeu obéissent à l'intention et reposent entièrement sur un appel mental à des forces cosmiques.

Mais insistons sur l'objectivité des auteurs qui, en expérimentant sur des plantes ont permis de mettre au point des méthodes vérifiables par tous les opérateurs curieux et dépourvus de préjugés !

Il est important aussi de bien considérer que les forces mobilisées par des nombres sont d'essence cosmique, car ce sont les forces cosmiques qui offrent, par leurs équivalents numériques, les influences les plus fortes et les plus exactes.

On obtient du nombre personnel et secret les effets les plus curieux et les plus avantageux : santé, succès dans la vie, succès dans les sentiments, dans les finances, en radiesthésie... tout peut en être amélioré. Il s'agit d'une pratique simple et directe qui permet de bénéficier chaque jour des nombres les plus favorables.

Le livre décrit, clairement et complètement, comment rechercher et mettre en oeuvre le nombre personnel et « charger » des Cailloux Busby qui constituent des moyens pratiques de mobiliser les influences cosmiques.
