**The loveliest gift of the year-the new Christmas novel set in the beloved town**

Lucy and Charlie's relationship has been on the rocks, but just as Lucy's about to call it quits, a runaway teenager crosses her path. It turns out this girl has been shuffled from home to home and has decided to make her own destiny-landing in Cape Light. Lucy takes her in despite Charlie's protests. This could be the thing that makes or breaks their frayed relationship...

With a grown son embarking on his own life, and an ex-husband starting a new family, Betty realizes it's time to find a partner of her own. Then Santa bears an unexpected gift at the Rotary Club's Christmas party: himself. Beyond the red suit and the padding, she notices a twinkle in his eye. Has the holiday cheer gone to her head, or is she really attracted to a struggling magazine writer who plays dress-up? But things aren't always as they seem, especially in Cape Light-and unless Betty realizes that good things come in different packages, she risks Santa passing over her this Christmas.
