The Immaculate Invasion

Bob Shacochis

The Immaculate Invasion Bob Shacochis

Widely celebrated upon its original publication in 1999, National Book Award–winning writer Bob Shacochis's *The Immaculate Invasion* is a gritty, poetic, and revelatory look at the American intervention in Haiti in 1994.

In 1994, the United States embarked on Operation Uphold Democracy, a response to the overthrow of the democratically elected Haitian government by a brutal military coup. Bob Shacochis traveled to Haiti for *Harper's* and was embedded—long before the idea became popular in Iraq—with a team of Special Forces commandos for eighteen months and came away with tremendous insight into Haiti, the character of American fighters, and what can happen when an intervention turns into a misadventure. With the eye for detail and narrative skills of a critically acclaimed, award-winning novelist, Shacochis captures the exploits and frustrations, the inner lives, and the heroic deeds of young Americans as they struggle to bring democracy to a country ravaged by tyranny. *The Immaculate Invasion* is required reading, essential for anyone who wants to understand what has happened in Haiti in the past and what will happen in the future.
