Accounting History 1976-1986 (RLE Accounting): An Anthology (Routledge Library Editions: Accounting) Peter Boys, John Freear

The journal *Accounting History* was published in eight volumes intermittently between 1976 and 1986. It had a relatively small circulation and this re-issue of its anthology provides the opportunity for many of the articles which appeared in the journal over the years to once again reach a wider audience. The volume begins with items of a general nature, covering the importance of preserving accounting records and accounting history in general. Subsequent categories deal with the methodology of historical accounting research, government accounting, taxation, bankruptcy, professional accountancy and accounting theory, as well as auditing and management accounting.
