Before The Dawn (The Ending Series) (Volume 4) Lindsey Fairleigh, Lindsey Pogue
The highly anticipated final book in The Ending Series.

A year ago, the Virus killed off most people in the world.

A year ago, strange things started happening to those who survived. Some of them transformed into something dark and sinister, while others evolved, becoming something more, something beyond human.

A year ago, Dani and Zoe were lost. They traversed the country to find one another, losing some of the people dearest to them along the way. They fought for their right to simply live, uncovered long-buried secrets, and discovered irreversible truths. And after everything Dani and Zoe have been through--even with the battle wounds that they bear--they're still not safe.

It's time for the struggle to end, for survivors to take back their lives, their families, their safety. It's time to really begin to live, and to do that, they must wait for the first rays of dawn.
