## **Bound by Blood** P A Lupton

FBI agent and psychic, Brianna Reece, descends from an ancient and powerful bloodline of witches, only she doesn't know it. But now that legacy has come back to bite her—literally. In the shadows of night in Denver Colorado, a serial killer is hunting women, and FBI agent Brianna Reece is hunting the killer. Unlike any case she's worked before, Brianna can't ignore the prickling at the back of her neck when she glimpses the resemblance she shares with the victims. The investigation begins to touch even closer to home when it is revealed that all of the victims were also psychic. Complicating matters further, Brianna is captivated by the FBI's prime suspect Nathan Donovan. Though she senses he is hiding something from her, the attraction she feels for him is compelling, and unlike anything she's ever experienced. Through a chance twist of fate, Nathan learns of Brianna's ancestry and is forced to divulge secrets to Brianna that will change her life forever. When she learns that the killer is an evil vampire, and he's now set his sights on her, Nathan alone holds the key to awakening her dormant powers. Now he must race to teach her how to control her emergent gifts before she becomes the next victim.
