Certifiable: Teaching, Learning, and National Board Certification

David Lustick

Certifiable: Teaching, Learning, and National Board Certification David Lustick

For anyone who was a candidate for National Board certification or might be a candidate in the future, *Certifiable: Teaching, Learning, and National Board Certification* is a must-read book. Dr. Lustick (NBCT, 1998 & 2008) explores all aspects of the certification process in an accessible and meaningful style. Lustick uses his own considerable experiences as a science teacher, National Board candidate, National Board assessor, and educational researcher to provide evidence of NBPTS as an opportunity for professional growth. What are teachers learning from National Board certification? Dr. Lustick interviewed more than 140 teachers from 42 states to find an answer. In a report to congress, the National Research Council described Dr. Lustick's work as one of only two studies 'that objectively evaluated the impact of [certification] on teachers' practices.' Whether a candidate was ultimately identified as accomplished or not, David Lustick's research indicates that certification offers all candidates a chance to improve their practice. This book provides educational stakeholders an important resource for understanding NBPTS as a means to improve teacher quality in an environment of high stakes testing.

From reader reviews:

Antoine Dejean:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each publication has different aim or even goal; it means that guide has different type. Some people truly feel enjoy to spend their time and energy to read a book. They can be reading whatever they get because their hobby is usually reading a book. How about the person who don't like studying a book? Sometime, individual feel need book once they found difficult problem or perhaps exercise. Well, probably you will need this Certifiable: Teaching, Learning, and National Board Certification.

Lee Nelson:

Nowadays reading books be a little more than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The data you get based on what kind of publication you read, if you want send more knowledge just go with schooling books but if you want really feel happy read one along with theme for entertaining including comic or novel. The Certifiable: Teaching, Learning, and National Board Certification is kind of reserve which is giving the reader erratic experience.

Shirley Vega:
