Solitaire Alice Oseman

In *Solitaire*, Alice Oseman has brought to life a vivid, clever, and heartfelt portrayal of what it's like to be a teenager today. This stunning debut novel—which the *Times* (London) called "*The Catcher in the Rye* for the digital age"—is perfect for fans of Melina Marchetta, Stephen Chbosky, and Rainbow Rowell.

My name is Tori Spring. I like to sleep and I like to blog. Last year—before all that stuff with Charlie and before I had to face the harsh realities of exams and university applications and the fact that one day I really will have to start talking to people—I had friends. Things were very different, I guess, but that's all over now.

Now there's Solitaire. And Michael Holden. I don't know what Solitaire is trying to do, and I don't care about Michael Holden. I really don't.
