The Scythe Balogun Ojetade

He has been given a second chance at life. A second chance at revenge. He is the bridge between the Quick and the Dead. He is...THE SCYTHE! Out of the tragedy of the Tulsa Race Riot of 1921, a two-fisted hero rises from the grave! Inspired by the pulp magazines of the 1930s and 1940s, a tale of action, adventure, thrills and chills await fans of Dieselpunk, die-hard pulp fans and readers who just love a gritty story that packs a mean punch. Enter a world in which Gangsters, Flappers, vampires, robots and the Ku Klux Klan all roam the same dark back streets; a world of grit, grime and grease; a world of hardboiled gumshoe detectives and mad scientists; a world where magic and technology compete for rule over the world. Dieselfunk has emerged in The Scythe...and the Roaring Twenties will never seem the same!

From reader reviews:

Leta Welter:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want send more knowledge just go with knowledge books but if you want truly feel happy read one along with theme for entertaining like comic or novel. The particular The Scythe is kind of publication which is giving the reader unpredictable experience.

George Seal:

Can you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Make an effort to pick one book that you never know the inside because don't judge book by its include may doesn't work the following is difficult job because you are scared that the inside maybe not as fantastic as in the outside look likes. Maybe you answer might be The Scythe why because the great cover that make you consider with regards to the content will not disappoint a person. The inside or content is actually fantastic as the outside as well as cover. Your reading 6th sense will directly make suggestions to pick up this book.

Margaret Phillips:

Do you like reading a book? Confuse to looking for your preferred book? Or your book had been rare? Why so many problem for the book? But just about any people feel that they enjoy to get reading. Some people likes looking at, not only science book but also novel and The Scythe or others sources were given understanding for you. After you know how the truly great a book, you feel desire to read more and more. Science e-book was created for teacher or students especially. Those guides are helping them to increase their knowledge. In different case, beside science e-book, any other book likes The Scythe to make your spare time a lot more colorful. Many types of book like this.

John Montes:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Scythe can make you sense more interested to read.
