The War of the End of Times: What the Islamic State Wants Graeme Wood

From Graeme Wood, author of the explosive *Atlantic* cover story “What ISIS Really Wants,” comes the definitive book on the history, psychology, character, and aims of the Islamic State. Based on Wood’s unprecedented access to supporters, recruiters, and high-ranking members of the most infamous jihadist group in the world, *The War of the End of Times* is a riveting, fast-paced deep dive into the apocalyptic dogma that informs the group’s worldview, from the ideas that motivate it, to the “fatwa factory” that produces its laws, to its very specific plans for the future. By accepting that ISIS truly believes the end is nigh, we can understand its strategy—and predict what it will do next.

From the Hardcover edition.
