## **Embarazado (Spanish Edition)** Sergio Telles

Embarazado narra nueve meses en la vida de un personaje muy particular, del cual vamos conociendo sus circunstancias a través de una especie de diario en el que deja constancia de sus más íntimos pensamientos. Acomplejado por su físico y con unos muy acentuados valores sociopolíticos, nos va contando las peripecias de su vida, utilizando la rima para hacerlo y poniendo de manifiesto lo insólito de su personalidad. Pronto seremos testigos de una traumática decepción amorosa que será clave en el devenir de los acontecimientos que se narran.

Sergio Telles nos radiografía la realidad social de su país, México, en consonancia con los valores morales y políticos que se están perdiendo en todo el mundo. Una novela analítica y polémica que no dejará indiferente a nadie.
