## **Life Sentences** Alice Blanchard

Daisy Hubbard, a genetic researcher in a prestigious Boston lab, is driven to find a cure for the rare genetic disease that claimed the life of her younger brother. Her progress is halted, however, when her mentally unstable sister Anna is discovered missing from her California home. Daisy, fearing the worst, drops everything and flies across the country to find Anna. Once there, she is informed by the LAPD that known serial killer Roy Gaines has confessed to Anna's murder, but he will only reveal where he has hidden the body if he can lead Daisy to it himself. Daisy, teaming up with a handsome detective named Jack Makowski, follows Roy to a number of dead bodies, but none of them are Anna's. As Daisy realizes that Roy knows too much about her research, she begins to fear that Anna is a pawn in a game with much larger stakes. It will take all of Daisy's cunning and resolve to stop the killer in his tracks and to uncover his obsession with the disease she has been trying to unravel for her entire life.

#### Margaret Garcia:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Life Sentences can make you really feel more interested to read.
