Hope and Help Through the Shadow of Depression

When depression invades our hearts and minds, many well-meaning Christians can respond with unhelpful advice on how to create light out of darkness. But perhaps the real question should be, what is blocking the light?

The Light in the Darkness Workbook provides everything you need to work through the book, *Light in the Darkness: Finding Hope in the Shadow of Depression*, helping you understand depression and how it affects your life. Discover how depression should be an instrument of transformation, rather than cause for shame and condemnation. It's in the darkness that God can prompt sufferers to examine their emotional well-being and clear away whatever would hide his joy.

Find practical help, hope, and healing in the name of Christ!
