The folklore of the North East provides a rich tapestry for the tales within; from Celtic and Pictish origins meet witches, selkies, smugglers, fairies, monsters, despicable rogues, riddles and heroes. Tragic events, spellbinding characters, humour, romance and clever minds are bound together by two well-established storytellers living and working in the city and shire of Aberdeen. Some of the tales in this collection are based on historical fact while others are embedded in myth and legend. All the stories are set against the backdrop of this lovely and varied landscape.
