We lonely ladies have to stick together...

Karen finds herself all alone in her house after her husband suddenly leaves her. She's **a mother over the age of forty** and finds herself completely lost, unable to figure out her new place in the world.

Enter Tanya, **the beautiful black woman** next door. Her story is similar to Karen's and the ladies easily confide in one another. Tanya pulls Karen down with her into **an erotic new world**. A world Karen finds equally scary and exciting.

Will these **sexy MILFs** find love and happiness with each other? Or will Karen pull away, too frightened to go through with **her most primal desires**?

This 5,500 word short story features two middle-aged, interracial MILFs experimenting on each other in erotic new ways! Reader discretion is advised, but why stop now? -Jack
