## **Rules of the House** Tsering W. Dhompa

Dhompa's potent suite of poems elucidates and vocalizes the humanness and adversities of the Tibetan diaspora. The praxes of exile and passage—literal and as in “rites of...”—are enacted here, soothing complex dynamics of family and “house.” The moveable hearth is a map of rare ritual and unique, curious attentions. You enter the immigrant girl-child's bifurcated world, coming and going, language to language, culture to culture, from childhood to sexuality, taking Dhompa's ride in her elegantly adopted American-English poet's “tongue.” A lovely explication of “dharma”—things as they are and how precious they are no special pleading— as interestingly fractured, cross-genred narrative poetry. Full of song.—Anne Waldman
