Volpone

Ben Jonson

Volpone Ben Jonson

Volpone is a comedy play by English playwright Ben Jonson first produced in 1605-06, drawing on elements of city comedy and beast fable. A merciless satire of greed and lust, it remains Jonson's most-performed play, and it is ranked among the finest Jacobean Era comedies.

Volpone (The Fox) is a Venetian gentleman who pretends to be on his deathbed after a long illness in order to dupe Voltore (The Vulture), Corbaccio (The Raven) and Corvino (The Crow), three men who aspire to inherit his fortune. In their turns, each man arrives to Volpone's house bearing a luxurious gift, intent upon having his name inscribed to the will of Volpone, as his heir. Mosca (The Fly), Volpone's parasite servant, encourages each man, Voltore, Corbaccio, and Corvino, to believe that he has been named heir to Volpone's fortune; in the course of which, Mosca persuades Corbaccio to disinherit his own son in favour of Volpone.
