The series is well differentiated for the target age group and each volume follows a similar format:

- o guidance on how to use the materials;

- o links to curriculum areas;

- o comprehensive teacher notes on each theme.

The themes are based around stories which will engage young people and these are accompanied by worksheets and follow up activities.

Each book can be used individually or together as a complete programme to promote pro-social values. All

the books will help young people to:

o have a sense of belonging;

o identify their talents;

o develop proactive problem solving;

o enhance positive social orientation;

o encourage an optimistic sense of fun.
