## 'Tis the Season for Witches, Elves, and a Legion of Ghosts

Not so very long ago, Yuletide was as much a chilling season of ghosts and witches as it was a festival of goodwill. In *The Old Magic of Christmas*, you'll rub elbows with veiled spirits, learn the true perils of elves, and discover a bestiary of enchanted creatures. Rife with the more frightful characters from folklore and the season's most petulant ghosts, this book takes you on a spooky sleigh ride from the silvered firs of a winter forest to the mirrored halls of the Snow Queen. Along the way, you'll discover how to bring the festivities into your home with cookie recipes and craft instructions, as well as tips for delving more deeply into your relationship with the unseen.
