What kind of woman wants a man so badly that she's willing to lie to get him? What if that lie includes denying the fact that she has a child?

Deborah Lewis is that woman. The suave, debonair Lynox Chase is the man Deborah has wanted for years. She almost had him, but then left him hanging when she decided to give her ex another try. With her ex no longer in the picture, Deborah is willing to eat crow and go claim Lynox. She's a little worried he won't forgive her and take her back, but she hopes that two years has been enough time to get over it.

The chase turns into more of a marathon for Deborah. Just when she thinks she's near the finish line, she learns that a woman with kids is a turn-off for Lynox. Can Deborah turn off being a mother just long enough to get Lynox to fall in love with her again?
