## Whispers of Liberty Heidi Sprouse

Time is no barrier to love. Charlotte Ross, by her own admission, is a history geek. It was only to be expected as both of her parents are closely tied to preserving the colonial heritage of Johnstown, New York. What was not expected was Charlotte tripping over her own feet and falling into the middle of the American Revolution. Being a modern girl fitting into the 18th century was hard enough...then she met Benjamin. "This book does for the *Revolution* what *Outlander* did for 18th century Scotland." - Daniel A. Willis, author, *Immortal Betrayal* "Sprouse creates gentle, determined characters who value liberty and the freedoms of its promise. She wraps each with a blanket of compassion and carries them through with strength and conviction. The story is an easy read. Sprouse's writing doesn't just push the reader to the next page, but propels them with powerful narrative drive and emotional energy." - Sheli Ellsworth, *Manhattan Book Review*
