**Elegy for a Lost Star (The Symphony of Ages Book 5)** Elizabeth Haydon

*Elegy for a Lost Star* sets the stage for a major turning point in the Symphony of Ages series.

The dragon Anwyn--who has lain for three years in deathlike sleep in a grave of rock and black coal is freed by the cataclysm that concluded REQUIEM FOR THE SUN. Disoriented and confused, she remembers only two things--the person who trapped her in dragon form and locked her in the grave--Rhapsody--and an all-encompassing desire to wreak vengeance.

Meanwhile, Achmed, the Firbolg king, resumes rebuilding his shattered home, while a guild of merciless assassins set about taking revenge on him for the killing of their leader.

A horribly deformed but magical being finds its way through a carnival of freaks to the palace of an evil despot, who sees in it the potential to be the instrument by which his plans of conquest and brutal domination of a continent will be realized.

With the rise of new leaders, good and evil, the long-awaited birth of the Child of Time, the dark plans of assassins and rulers, a confrontation that shakes the relationship of the Three, and a battle to the death between two dragons of unimaginable elemental power, the seeds of chaos are planted for a war that will, by its end, consume half of the world.
