If you are preparing for the IELTS, studying advanced vocabulary is absolutely essential to get the maximum score. Knowing hundreds of “tough” words will greatly improve your comprehension skills and your fluency. IELTS Interactive Flash Cards - 2500 Key Words: Intermediate/Advanced can help you in a way no other ordinary book can. It is ideal for self-study whenever you want, wherever you are. You study our interactive flash cards and you receive feedback right away. It’s as if you have a private English vocabulary tutor on the spot explaining these words in detail again and again. After studying the flash cards in this unique e-book, you will have mastered thousands of must-know words quickly and easily. Our specially designed e-book enables you to make the best use of the Kindle Built-in dictionary so you can delve deeper into the meaning and usage of a word. This e-book is very convenient even if you don’t own a Kindle device; you can download it simultaneously to your desktop, laptop, smart phone or tablet, thanks to the FREE Kindle applications. You can save and synchronize your notes and highlights across all your devices, so you can start studying on one device, and pick up where you left off on another device.

Many advanced words can be easily confused or misused because they sometimes appear to be deceptively synonymous. Only by studying their precise definitions can we understand their differences and use them appropriately. A comprehensive definition, such as those provided by the authoritative Kindle dictionary, is

much easier to understand and, as a result, much more memorable. Flash cards are a time-tested and very effective memorization tool. Nonetheless, some printed flash card sets and digital flash card applications leave a great deal to be desired mainly because they don't provide clear definitions of the words they introduce. Worse still, printed flash card sets are too bulky to carry around and a lot of digital flash card applications are available on only one platform or device, which can be very limiting.

IELTS Interactive Flash Cards - 2500 Key Words: Intermediate/Advanced has none of these disadvantages. It makes it easier than ever before to maximize your study time. Our system enables you to increase your word power:

- in depth
- whenever you want
- on any major platform/ device that you select

The more key words you know, the higher your IELTS score can be. IELTS Interactive Flash Cards - 2500 Key Words: Intermediate/Advanced is a simple but powerful method for vocabulary expansion.
