**American Insurgents: A Brief History of American Anti-Imperialism** Richard Seymour

"Seymour's obsessively researched, impressive first book holds its place as the most authoritative historical analysis of its kind."—*Resurgence*

All empires spin self-serving myths, and in the United States the most potent of these is that America is a force for democracy around the world. Yet there is a tradition of American anti-imperialism which gives the lie to this mythology. Richard Seymour examines this complex relationship from the Revolution to the present-day.

**Richard Seymour** is a socialist writer and runs the blog Lenin's Tomb. He is the author of *The Liberal Defense of Murder*. His articles have appeared in the *Guardian* and *New Statesman*.
