Jodie Patterson's posh bakery is all about satisfying cravings. Her signature aphrodisiac cookies have been flying off the shelves...and giving Jodie some delicious ideas of her own.

Jodie is more than ready to indulge her fantasies with this wolf-in-geek's-clothing as long as they set some ground rules: sex is sex, business is business and nothing will change. Yeah, right! After that first addictive kiss, it's time to see if they can *really* satisfy each other's appetites....
