An Angel is Calling David Gaddis

'Readers of An Angel is Calling from whatever religious perspective will be inspired by the depth of David Gaddis's faith in God, in spite of the extreme injustices he has been forced to endure.' Joan Korenblit, co-founder of the Respect Diversity Foundation In the fall of 1991 David Gaddis thought he was on the way up. His business had attracted Sears Roebuck and Company as a partner and was valued at \$329 million. But when Sears asked him to give them 90 percent of his stock for free, he refused, thinking they would make a better offer. Instead, he received a series of twists and turns that include betrayals, spooks, false charges, and destruction of everything that he loved and cared for. While many people would turn bitter, after a bit of prodding from an angel in disguise, David used his experience to draw closer to God and emerged with a profound new faith, peace, and joy. An Angel is Calling offers a shocking look into the world of big business and the abuses of the American justice system. David's story and humbling attitude will inspire you to look at any challenge you face with a fresh and joyous perspective.
