**Dreaming of Elsewhere: Observations on Home (Henry Kreisel Memorial Lecture Series)** Esi Edugyan  
Writing about belonging is not a simple task. Esi Edugyan chooses to intertwine fact and fiction, objective and subjective in an effort to find out if one can belong to more than one place, if home is just a place or if it can be an idea, a person, a memory, or a dream. How “home” changes, how it changes us, and how every farewell carries the promise of a return. Readers of Canadian literature, armchair travellers, and all citizens of the global village will enjoy her explorations and reflections, as we follow her from Ghana to Germany, from Toronto to Budapest, from Paris to New York.
