Midas Touch

In Midas Touch, Donald Trump and Robert Kiyosaki ask the question: What's an entrepreneur's most important job? The answer: creating high-quality, stable jobs.

And in today's marketplace, "jobs" are in high demand - and so are the skills and the innovation and vision of entrepreneurs.

In a world of high unemployment and an economy that needs new jobs to recover, who isn't hungry for a solution, something that will speed economic recovery? Many look to the government, but it's becoming more and more obvious that governments can't create real jobs. Trump and Kiyosaki believe that only one group can bring our world back to prosperity: Entrepreneurs. And, especially, entrepreneurs with the Midas Touch.

This book is for people who are thinking of starting a business or who already have one and want to grow it. Midas Touch teaches how to leverage five key components that can impact success in business:

Strength of character

F.O.C.U.S.

Brand

Relationships

Little things... that really count
