New Pathways in International Development: Gender and Civil Society in EU Policy

New Pathways in International Development: Gender and Civil Society in EU Policy

Gender considerations and civil society are both major issues in the current debate about the implementation of EU development policy. This volume provides a new perspective and focus on the increasingly important issues of gender equality, democracy and participation to explain how they impact on policy.

This book will appeal to those interested in the European Union, in EU external relations, gender issues, civil society, and development.
