## **Off the Record** Allison Samuels

A collection of offbeat, funny, and often moving backstories of the many entertainers and athletes covered by award-winning Newsweek journalist Allison Samuels, *Off the Record* reveals the inner worlds of today's A-list black celebrities.

With anecdotes on everyone from Snoop Dogg, Shaquille O'Neal, Denzel Washington, Eddie Murphy, and Whitney Houston, this "all-access" book is filled with insightful stories that never made it into the pages of the mainstream press.

From her start at CAA's infamous agent training program—which included tasks such as blowing up 200 dinosaurs for the lobby when Steven Spielberg made a quick visit, and picking up Ted Danson's half-million-dollar weekly paycheck—there was no chore too small. But these humble beginnings gave Samuels access to Hollywood's A-list and led to her eventual focus on the world of black entertainers.
