Social Work: A Reader (Student Social Work)

Social Work: A Reader (Student Social Work)

What are the key ideas that underpin social work practice?

This inspiring *Reader* brings together some of the most significant ideas which have informed social work practice over the last forty years. Exploring these fundamental ideas, the book includes commentaries that allow the reader to understand the texts on their own terms as well as to be aware of their relations to each other and to the wider social work context.

An accessible introduction contextualises the reader, summarising the main themes and highlighting key issues. The book is then divided into three main sections, each presenting key texts which have contributed to the development of:

- the profession of social work
- social work knowledge and values
- social work skills and practice.

There is no settled view or easy consensus about what social work is and should be, and the ideas reflected in this volume are themselves diverse and complex. The contributions are drawn from a wide range of perspectives: psychological, sociological, philosophical, educational and political, as well as perspectives which are grounded in the experiences of practitioners and those who use services.

This important resource is essential reading for all social work students.

Susan Swain:

Reading a guide tends to be new life style in this era globalization. With examining you can get a lot of information that can give you benefit in your life. Having book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or even their experience. Not only situation that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some study before they write for their book. One of them is this Social Work: A Reader (Student Social Work).

Lewis Skinner:

Playing with family in a very park, coming to see the sea world or hanging out with buddies is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Social Work: A Reader (Student Social Work), you can enjoy both. It is fine combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its referred to as reading friends.
