Sister Eve, Private Eye

Sister Eve knows God moves in mysterious ways. And Eve adores a good mystery. Especially a murder.

Two decades into her calling at a New Mexico monastery, Sister Evangeline Divine breaks her daily routine when a police officer appears, carrying a message from her father. Sister Eve is no stranger to the law, having grown up with a police captain turned private detective. She's seen her fair share of crime—and knows a thing or two about solving mysteries.

But when Captain Jackson Divine needs her to return home and help him recover from surgery, Sister Eve finds herself taking on his latest case.

A Hollywood director has disappeared, and the sultry starlet he's been running around with isn't talking. When the missing man turns up dead, Captain Divine's case escalates into a full-blown murder case, and Sister Eve's crime-solving instincts kick in with an almost God-given grace.

Soon Sister Eve finds herself soul-searching every step of the way: How can she choose between the vocation in her heart and the job in her blood?

is it a temptation or a calling? As Eve wrestles with this question, she's taking a leave of absence from the convent, investigating a case with her PI father.

But something else troubles Eve. It's been weeks since Eve heard from her sister, Dorisanne. And Eve's gut tells her that something sinister has happened to her difficult sibling. There's only one place Eve can find the answers she's looking for: in Dorisanne's world, under the bright lights of Sin City—Las Vegas,

Late night visits to the casino and some clever clues hidden in an address book set Eve on a trail that soon reveals that Dorisanne's life is darker and more complicated than Eve ever expected. In the end, Eve's ability to understand her sister—and herself—may be a matter of life and death.

Sister Eve and the Blue Nun

When Sister Eve returns to the monastery, the last thing she expects there is murder.

After solving several mysteries with her father at the Divine Private Detective Agency, Sister Eve finds herself torn between her calling as a nun and the thrill that comes with detecting. She knows she's been using her father's health as an excuse to extend her leave of absence from the monastery, but that excuse is running thin. She prays that a return visit to the monastery for a conference on the Blue Nun will help bring clarity to her calling, but when the conference speaker is murdered, Sister Eve's two worlds collide.

Sister Eve knows the number one suspect, the victim's brother and monk in residence, couldn't possibly have committed the crime, and she's determined to find the real killer. To do so means she must track down some mysterious newly discovered writings from the Blue Nun, said to date from the 17th Century, when the sister bi-located to the New Mexico region from her home in Spain. Could these texts from long ago be the key to today's mystery? And will they offer any guidance to Sister Eve as she chooses which calling to follow
