To Have Loved Wendy Killian

I heard my friend scream horribly, and I knew something was very wrong. It was Joy. I never heard or saw her. Somehow she snuck out of the church unnoticed and walked right in front of my van. That was the worst night of my life... Have you ever walked through something in life from which you never thought you could be freed? Have you ever felt like there was no hope? In her book *To Have Loved*, author Wendy Killian shares her story of tragedy and of hope. For Wendy, a normal day turned into a living nightmare when she accidentally ran over her friend's two-year-old child, Joy, resulting in her death. Wendy didn't know how she would survive the overwhelming grief, pain, and guilt that she carried. She desperately needed God to help her so that she could live freely again. *To Have Loved* is a book of restoration and is a testament to the faithfulness of God even through the worst of trials. Wendy shares her story in hopes that no matter what you face in life, you will find the freedom and peace that only God can give.
