In today's fast-paced world, as we juggle family responsibilities, jobs, and social obligations, we seem to be missing out on what we fundamentally crave: a calmer, gentler, sweeter, and more gracious life. In *Gracious Living in a New World*, Alexandra Stoddard offers a rich assortment of ideas for achieving a gracious lifestyle. As a busy professional and dedicated wife, mother, and grandmother who revels in the energy of the city and basks in the tranquility of the village, Alexandra is uniquely poised to help us smooth the frayed edges of our lives. Positive and practical, her path toward gracious living does not require money or "extra hands" around the house. When we give ourselves and others positive time and space, our life expands to gracious proportions: "We are surrounded by opportunities for living with grace—our own hands and our own hearts are all the tools we'll ever need."
