Nightfall

Richard B. Wright

Nightfall Richard B. Wright

From the acclaimed writer of the beloved *Clara Callan* comes a memorable new novel about first loves, love-after-love, and the end of things, set during summer in Quebec City.

James Hillyer, a retired university professor whose life was evocatively described in Wright's novel *October*, is now barely existing after the death of his beloved daughter in her forties. On a whim, he tries to locate the woman he fell in love with so many years ago on a summer trip to Quebec and through the magic of the Internet he is able to find her. But Odette's present existence seems to be haunted by ghosts from her own past, in particular, the tough ex-con Raoul, with his long-standing grievances and the beginnings of dementia. The collision of past and present leads to violence nobody could have predicted and alters the lives of James and Odette forever.

Nightfall skillfully captures the way in which our past is ever-present in our minds as we grow older, casting its spell of lost loves and the innocent joys of youth over the realities of aging and death. The novel is skillfully grounded in observation, propelled by unforgettable characters, and filled with wisdom about young love and old love. Drawing on the author's profound understanding of the intimate bonds between men and women, *Nightfall* is classic Richard B. Wright.

From reader reviews:

George Valentine:

Reading a reserve can be one of a lot of task that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new information. When you read a book you will get new information due to the fact book is one of a number of ways to share the information or their idea. Second, reading through a book will make a person more imaginative. When you examining a book especially fiction book the author will bring someone to imagine the story how the characters do it anything. Third, you may share your knowledge to other folks. When you read this Nightfall, you may tells your family, friends along with soon about yours publication. Your knowledge can inspire others, make them reading a guide.

David Pimentel:

Reading a book tends to be new life style in this particular era globalization. With examining you can get a lot of information which will give you benefit in your life. Having book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their reader with their story or their experience. Not only the story that share in the guides. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some exploration before they write with their book. One of them is this Nightfall.

Paulette Rodriguez:

Is it you who having spare time after that spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Nightfall can be the respond to, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?

Wesley Powell:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Nightfall can make you experience more interested to read.
