No One Loves Your Money Like You Do: The Ultimate Retirement Planning Guide for Business Owners and Private Practitioners James Jackson

Proven retirement investing advice designed to meet the specific needs of physicians, attorneys, entrepreneurs, and other professionals

In *No One Loves Your Money Like You Do*, financial guru Dr. James B. Jackson guides professionals through the challenge of retirement financial preparedness.

Unlike the typical audience for retirement planning guides, these professionals have the luxury of a healthy income and a decent-sized nest egg, but they have large, illiquid assets (in the form of their practice) and complex partnership agreements to navigate. Jackson distills his decades of experience as a CFP (previous to which he was a practicing dentist) into practical, friendly advice for anyone who needs a hand in planning their retirement.

Jim Jackson (Charleston, SC) is a Certified Financial Planner, who in the late 1980s founded Jackson Financial Co, Inc., a financial planning and registered investment advisory firm. As a partner in the newly formed JBJ Investment Partners, LLC, he continues to advise clients on investments and retirement planning, overseeing and managing assets for clients from coast to coast.
