## **Alice's Adventures in Wonderland (First Avenue Classics)** Lewis Carroll

Bored with reading a book with no pictures, Alice looks up and sees a white rabbit in a waistcoat. Curious, she follows. Tumbling down a rabbit hole after him, Alice leaves the rational world behind and enters a world of nonsense. A drink that makes you shrink and a cake that makes you grow, a floating cat that can turn invisible, a tea party stuck in a perpetual time loop, and an angry queen of playing cards all make Alice's head spin as she works her way through her confusing surroundings. This unabridged version of Lewis Carroll's fantastical English novel was first published in 1865 and includes original illustrations by John Tenniel from the 1897 edition.
