Career Development for Health Professionals: Success in School & on the Job Lee Haroun

Master the skills you need to succeed in the classroom and as a health care professional! Filled with tips and strategies, **Career Development for Health Professionals, 4th Edition** provides the skills required to achieve four important goals: 1) complete your educational program, 2) think like a health care professional, 3) find the right jobs, and 4) attain long-term career success. This edition includes a new chapter on professionalism and online activities challenging you to apply what you've learned. Written by respected educator Lee Haroun, this practical resource helps you maximize your potential and grow into a competent, caring, well-rounded member of the health care team.

- **Self-paced format** with interactive exercises, stop-and-think review, and end-of-chapter quizzes allows you to work through the text independently.
- **Conversational, easy-to-read style** helps you understand concepts and skills by delivering information in small, easily absorbed chunks.
- **Chapter objectives and key terms** at the beginning of each chapter preview the material to be learned while reading the chapter.
- **UPDATED on-the-job strategies and *Success Tips* focus on professional certification exams, the use of social media, general job requirements, online classroom learning, employment laws, and necessary skills and National Health Care Skill Standards.**
- ***Prescriptions for Success* and *Resume Building Blocks* emphasize the importance of a resume and how it is a 'work in progress' from the first day of a student's education. *Prescription for Success* exercises let you apply what you've learned to on-the-job situations.**
- ***Useful Spanish Phrases* appendix** provides a quick reference for translations that will prove valuable in today's workplace.
- **Student resources on the Evolve companion website** include activities providing a chance to use critical thinking skills and apply content to health care jobs.
- **NEW *Becoming a Professional* chapter** defines professionalism as it relates to health care occupations, emphasizes its importance, and presents examples of professionals in action.
- **NEW! Full-color photos and illustrations** bring concepts and health care skills to life.
- **NEW case studies** offer a real-life look into school, job-search, and on-the-job situations.
- **NEW study and job-search strategies** explain how to study for classes, job applications, resumes and resume trends, guidelines to preparing different types of resumes (print, scannable, plain text, and e-mail versions), protecting against job scams, online job searching, and preparing for the job interview.
- **NEW reference chart** on the inside front cover provides an outline to the book's content, making it easy to find the information you need.
