Capricious and free-spirited, Mina Tepes is forever trying to intervene. Some would say she interferes. Her attempt to save a friend worsens a war already waging between her people, the Darks, and their reviled overlords, the Mages. Desperate, she turns to the man who saved her life as child—an enemy Mage named Xander.

As part of the ruling class, Xander Fjordson should never have taken notice of Mina, but even as boy, one look into her large dark eyes and he was lost. As an adult, involvement with her has ripped his world to shreds. Though the war she unintentionally instigated has made them enemies, when she comes to him bleeding and injured, he is unable to say no. He puts at risk what is left of his status and his family as he follows her, knowing in the end he'll have to betray her.

Together Xander and Mina begin to unravel terrible secrets as the war escalates. Soon Xander must choose: save his family or the woman who's come to mean more to him than his own life.
